Annual Sustainability Development Report

University of Babylon

2020

University of Babylon

Profile

Name	University of Babylon
Year of Foundation	1991
Organisation Logo	
Address	Najaf Road, 14km from the center of Hilla, Babil
Telephone	+964 3024 9551
Country	Iraq
Currency	IQD
Website	http://en.uobabylon.edu.iq/
Description	The university of Babylon is a non-profit public higher education institution. It was established on the 25th of Apr, 1991. Located in Hilla City, Babel province, 90 km south of the capital Baghdad. Officially accredited/recognized by the Ministry of Higher Education & Scientific Research. The university has 20 faculties and a number of scientific and consultancy centers as well as a number of scientific and educational journals. University of Babylon offers courses and programs leading to officially recognized higher education degrees such as undergraduate certificates/bachelor degrees, High diploma degrees, master degrees, doctorate degrees in several areas of study. It has a selective admission policy based on students' past academic record and grades. International applicants are eligible to apply for enrollment. About 25000 undergraduate students and about 1500 postgraduate students are attending the university. University of Babylon also provides several academic and non-academic facilities and services to students including libraries, housing, sport facilities and activities, financial aids and scholarships, study abroad and exchange programs, as well as administrative services.

Mission Statement (in English)	University of Babylon is looking forward to be a well-recognized international university by the year of 2020 following a solid curriculum that keep base with the latest developments in the field of knowledge. Our vision is compatible with the ethical, cultural, and social values of the community. • Reinforcing the disciplines that are characterized by faculties and university's centers. • Supporting research centers that provide consulting services and solving problems considering the domestic and international issues. • Developing worldwide partnerships between University of Babylon and other local and international universities and research centers. • Serving the community with distinguished cultural and scientific backgrounds. • Achieving excellency in the environment of the university teaching and scientific research on both international and local levels. • Participating effectively in protecting the environment. • Leadership in the service of society through excellence, scientific and cultural research. • Alumni qualified to meet the requirements and needs in labor market and able to compete locally and internationally. • Provide students with modern knowledge assets and advanced scientific research methods, and high values. • Develop students' personality and prepare them to innovate in leaderships and teamwork.'. • Achieve excellence position in the field of education and scientific research.

Policy reviewed (yyyy)	2019	0%
Comment	Date of last review of the policy	
Does your university as a body have policies around use minimisation - Of disposable items?	Yes	-
Evidence	Evidence url: http://lerc.uobabylon.edu.iq/ (http://lerc.uobabylon.edu.iq/) Evidence url: http://lerc.uobabylon.edu.iq /down/repro.pptx (http://lerc.uobabylon.edu.iq /down/repro.pptx)	
Comment	University has a policy to minimize using of plastic especially with canteens or cafes inside the main campus and other five sites/ campuses of the universities through publishing announcements to use glasses or even cups from papers instead of using plastic cups, using bio-bags or paper-bags or paper dishes and so on	
Policy created (yyyy)	2010	-0%
Comment	Date of creating the policy	
Policy reviewed (yyyy)	2019	0%
Comment	Date of last review of the policy	
Do these policies extend to outsourced suppliers and the supply chain - Services (contracted services on campus?		-
Do these policies extend to outsourced suppliers and the supply chain - Supplier outsourced services (suppliers of equipment, stationary, building contracts)?	Yes	-
Comment	University tackled the food suppliers and outreach stationary to minimizing waste of paper and to decrease the use of plastic-disposal by setting such points in the contracts as conditions of agreement between both sides.	

Percentage of waste recycled

Name	Value	Year on year change from 2018
Amount of waste generated	200	-
Comment	200 ton per month and this amount decreases through summer vacations to 90% (summer vacation means 10th of July to 10th of September)	
Amount of waste recycled	75	-
Comment	Approximately 50%-40% of the total amount of the waste are recycled especially paper, glass, tens of metal, and plastic	
Amount of waste sent to landfill	100	-
Comment	Approximately 60% of the total amount of the waste are sent to the landfill	

Publication of sustainability report

Name	Value	Year on year change from 2018
Publication of sustainability report	annual	-
Evidence	Evidence url: http://sustainability.uobabylon.edu.iq/ (http://sustainability.uobabylon.edu.iq/) Evidence url: http://lerc.uobabylon.edu.iq/down/University_Country_6_12_Sustainability%20Report.docx.pdf (http://lerc.uobabylon.edu.iq/down/University_Country_6_12_Sustainability%20Report.docx.pdf)	

Climate Action (SDG 13)
