1. Program Vision:

To make a significant contribution to advancing knowledge of the importance of the Holy Quran, its interpretation, miracles, sciences, and methodology in order to achieve complete guidance and application of its teachings.

2. **Program Mission:**

To develop successful and distinguished intellectual and academic abilities that contribute to the dissemination of Quranic studies, including interpretation, miracles, Quranic sciences, rhetoric, language, and other extensive fields. The program aims to prepare a generation capable of defending their faith and sacred values, addressing misconceptions and attacks against Islam with a sound academic approach and a correct methodological understanding.

3. **Program Objectives:**

- 1. To preserve the sanctity and status of the Holy Quran and defend it through a solid academic and scientific approach.
- 2. To connect students with the scientific and cultural heritage brought by Islam, established through the Quran, and to utilize this knowledge in preserving and continuing its legacy in the present and future.
- 3. To encourage academic excellence and creativity in all areas of Quranic research, fostering a love for knowledge and continuous learning while exploring modern learning and teaching methods, using them to support sound scientific truth.
- 4. To meet the needs of the labor market in middle, secondary, and high schools under the Ministry of Education by providing a qualified workforce capable of achieving the desired educational and scientific goals, and thus preparing a cadre of teachers who can enhance Iraq's educational reality and contribute to creating a more advanced society.
- 5. To raise the scientific and educational level of the teaching staff in the department.
- 6. To improve the efficiency of administrative and technical staff in the department.
- 7. To enhance the academic level of students.
- 8. To encourage students to adhere to good morals, values, and university traditions.

4. Program Accreditation:

The department has not yet obtained program accreditation.

5. Other External Influences:

The Accreditation Council for Colleges of Islamic Sciences supports the department in obtaining program accreditation.
