ثالثًا": البحوث المخططه للنشر للعام - ٢٠١٨ - ٢٠١٩

عنوان البحث قيد النشر	اسم التدريسي
1-Result of local application of 10% povidone iodine	أ <u>.</u> د صفاء صاحب
in treatment of chronic discharging ear	
2-Surgical treatment of snoring and sleep apnea in	
adult ,our experience	
3- Speech abnormalities in children below 5 years	
causes and result of treatment	
4-Effect of using local bupivacaine infiltration on	
quality of life in post tonsillectomy patient	
5-Immune state of patient before and after	
adenotonsillectomthey	
Comparative stady of immune hito- chemical-	د مهند الشلاه
analysis between primary breast cancer and	
secondary metastasis	
The etiology of urethral injury in the urological	د. احمد تركي
depatment in al-hilla teaching hospital.	
Incidence and etiology of the renal injury in the	
urological department in al hilla teaching hospital.	

رابعا: : نشاطات الفرع المزمع عقدها للعام ٢٠١٩-٢٠١٩

العنوان	اسم المحاضر	الشعبه	ت
Recent advances in critical case of surgical patient	محمود المختار محسن نايف	الجراحه العامه	•
Laser treatment of diabetic foot	د.ولاء الفلوجي	جراحة القلب والصدر والاوعيه الدمويه	۲
Ct scan of chest normal anatomy	د.هدی علي	الاشعه التشخيصيه	٣
Management of head inhury	د عصام السوداني	الجمله العصبيه	٤
Challenge man agent of ca prostate	د محمد رضا جودي	الجراحه البوليه	0
Total knee replacement	د مشتاق طالب	جراحة العظام والكسور	7

	د علاء عبد الحسين			
Recent advances in laparoscopes	د.صلاح الجنابي	الجراحه العامه	٧	
surgery	د محمد الطائي	العامه
