Letter of Acceptance

Dear Authors,

On behalf of the ICONEST_2024 Scientific Committee, and based on our (Reviewers' Evaluation, Scientific Committee Decision, and Guest Editors' Approval), we are pleased to inform you that your paper entitled:

Privacy-Preserving Homomorphic Encryption In Cloud Storage

Written By

Noor R. Obeid , Noor Fadel Hussain , Dalia Abdulrahim Mokheef

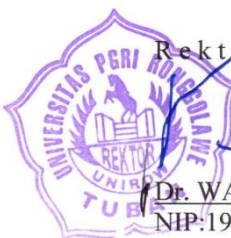

Has been accepted for the ICONEST_2024 Conference and will proceed to publication in the **AIP Conference Proceedings** (ISSN: 0094-243X, 1551-7616, **Scopus Index**). This decision reflects the outcome of a thorough initial technical review and positive feedback from the double-blind peer review process, confirming its alignment with the conference's scope and standards.

Please ensure your Camera-Ready Version incorporates our reviewer comments and detailed technical notes. The publication schedule will be announced after the AIP editors have completed the internal checks. It is crucial to keep the plagiarism level below 15% and comply with our conference rules and AIP's ethical guidelines. The timing of publication will depend on AIP's publication queue. Once all selected papers are finalized for presentation, we will provide further information regarding the conference sessions at Universitas PGRI Ronggolawe (UNIROW), Tuban, Indonesia.

Thank you for considering this Conference as a venue for your work

Thank you,
